**TECHNICAL AND ADULT
EDUCATION FACILITIES
IN
WEST VIRGINIA**

2010-2011

FOREWORD

West Virginians believe in the future of the Mountain State. Few things testify to this fact more eloquently than the investment that has been made in providing modern educational facilities designed to prepare our citizens for employment and lifelong learning.

This document lists the many schools that offer instruction in technical and adult education. Virtually every person in the state is within convenient commuting distance of the services found in these facilities.

Dr. Steven L. Paine
State Superintendent of Schools
